Best Sommelier of Italy 2019/2020

Toscana Rosso IGT X3 2016: Supertuscan Blend of Syrah, Merlot and Sangiovese aged in barrique for 18 months.

The wine shows a bright color, a ruby red clear and vivacious. The nose is rather dominated by fragrant notes of small red skinned berries and fresh flowers, raspberry and cherry overall, then rose. Following herbaceous hints, black pepper, sandalwood and clove. On the background balsamic scents of eucalyptus. Elegant and complex nose. The sip is supple, savory. The protagonist is the juicy freshness that makes the wine easy to drink and very pretty. Full body, medium plus finish with small wild berries jam flavor. Thirst-quenching. Gentle use of the barrique.
